

Dirichlet:

Grid Size	Error
1/8	0.0281737
1/16	0.00664675
1/32	0.00161231
1/64	0.000396936
1/128	0.0000984684
1/256	0.0000245215

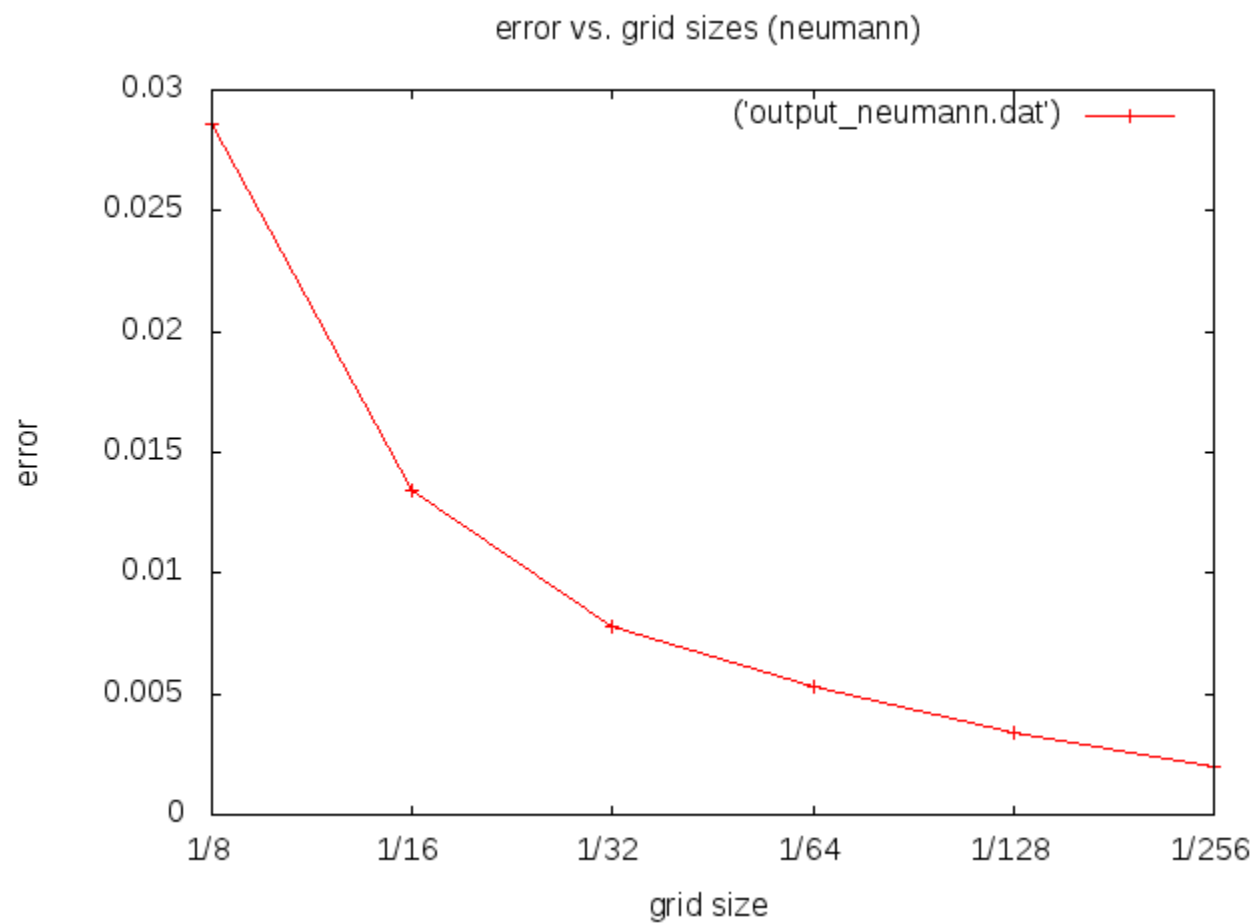

Description of measurement:

For every plot we are using the error after 20 Iterations.
As we thought the error gets smaller using finer grid sizes.

Neumann:

Grid Sizes	Error
1/8	0.0285806
1/16	0.0134054
1/32	0.00777938
1/64	0.00527653
1/128	0.00340702
1/256	0.00199494

Dirichlet and neumann plot:
